TEACHERS ENFORCE THE RULE OF NO EATING GUM IN CLASS!!!

It is absolutely DISGUSTING to see gum under the desks every single day. Give the janitors a break!

Students is this what you want to see and or feel every day on your desks? Do you get pleasure out of this?

Teachers please enforce this rule. And students follow it unless you want the desks to look like this guys bathroom.

Teacher Interviews

How's your first year teaching at Sequoia?

“Overall fun year”

How long have you been teaching?

“6 years”

What's your favorite grade to teach?

“7th grade because they are more annoying so they are more interesting.”

Mr. Haupt

“Sometimes when you feel like giving up, give up sooner so you can regroup faster”
