WELCOME BACK TO
ANOTHER SEQUOIA
STAR

In this sequoia star we will be talking about MLK, How 6th graders feel about sequoia, How 8th graders feel about leaving sequoia, should music be played during lunch, and what students prefer skydiving or bungee jumping. We will be taking a deep dive into all of these topics and we hope you all enjoy.

Martin Luther King Jr. was an inspirational person who fought for segregation to end. His famous "I have a dream" speech resulted in a new determination to move toward equality, freedom and greater employment for people of color. We honor him every year on the third monday of january for his great impact in ending segregation and racism.

COMPARE AND CONTRAST

Starting middle school can be frightening but leaving middle school can be just as scary. No matter how you feel about it middle school is a chapter in your life for you to grow and learn. So we have ask 4 6th graders how they felt about starting middle school and 4 8th graders how they felt about leaving.

HOW DO 6TH GRADERS FEEL ABOUT SEQUIOA SO FAR. HOW DO 8TH GRADERS FEEL ABOUT LEAVING SEQUIOA

SEQUOIA INTRODUCES: SHOULD MUSIC BE PLAYED IN LUNCH EVERYDAY?

Mr. speaker
is fed up!

“Nobody takes me out during lunch to play music so I will make sure that everybody heres listens that I get taken out and im able to play music. - Mr Speaker

DOES THE SOCIETY APPROVE

Many people would agree that music should be playing during lunch and should be a good idea and so many people would request a song and it would probably increase their social awareness and would make more friends than ever. multiple people have suggested that we are
