SEQUOIA INTRODUCES: CAN STUDENTS TURN IN THEIR HOMEWORK IN TIME?

The teachers want their students to turn in their homework!

“Kids these days just have no motivation to do their homework!” -Any teacher at Sequoia Middle School

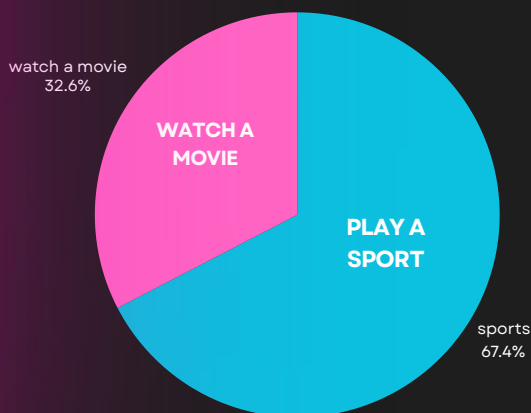

A group of smart people have had a long thought of whether the students at Sequoia Middle School can turn in their homework in time. While yes it is possible most students don't turn in their homework in time! What scientists have discovered is 78% of students decide to do their homework but turn it in super late, scientists have wondered if it's ever possible for a student to turn in their homework in time and get full credit. Scientists are working on a cure right now so students have the motivation to do their homework, and turn it in time and get 100% credit and get good grades.

POLL !!

WOULD YOU RATHER:

Would you rather go to the movies or play sports ??

Most people said they would rather play sports than watch a movie. Some people said they would go to the movies if somebody went with them. Other people said they don't want to be inside and go watch a movie while others just like sports and they would rather do that.

stay tuned for the next poll !
