How do you feel about homework?

"I feel like it is sometimes helpful for studying things if you don't understand but if you do I think that we should have less homework"

-Kalea Rideau

# WHY WE SHOULD NOT HAVE HOMEWORK

Why should we not have homework??

Why because scientists have found out that when kids get assigned homework it is always the hardest thing in the world for them. Scientists have found out that kids' heads have exploded because of how much homework they have!!!
