# SARCASTIC SEQUOIA

“The students need to learn how to turn it off. The sooner they figure that out, the better off they'll be!”

- Mrs. Machado

Mrs. Machado is fed up with this!

## DO KIDS HAVE POTTY MOUTHS?

According to Scientists, at his age, middle schoolers are still learning how to express themselves and may experiment with cussing as a way to assert independence or identity. It's seen as a way to explore boundaries in social interactions, especially as they try to fit in with peers.
