SEQUOIA INTRODUCES: SHOULD STUDENTS HAVE FOOD IN CLASS ?? AND PINK !!

Should students have food in class ??

Students should have food in class because it distracts them. Opening bags of chips annoys the class and the teacher. Eating in class disrupts everyone, so in conclusion, it should definitely be allowed in school.

DO PEOPLE LIKE THE COLOR PINK!

Many people like the color pink. Mr. Flores thinks pink is the new red and that pink is amazing. Bella Gofman thinks that light pink is the best color because it is so coquette. Lillian Holman loves the color pink because it is very girly. Haven Abulencia loves the color pink because it is a pretty color. Isla Read also likes the color pink because it is beautiful. Santiago Ramirez dislikes the color pink because it is girly. Jackson Jones thinks the color is the ugliest on Earth. 😡😡😡
