Student poll of what continent they think they live on

- 13 people say we live in Antarctica
- 5 people said we live in Africa
- 8 people said we live in the continent California
- 52 people said North America
- North America was the correct answer.

Are spider hoodies drippy

Does it still drip or is it stall?

Should we
keep it
going?

People are wondering if spider hoodies are drippy. people like ryaln think they are. But people like Dominic castillo say no.

Ms. Broder's Play Mean Girls Jr.

Ms. Broder drama students are doing a drama production of Mean Girls Jr. They are also developing choreography (dance moves) and are doing the directing and productions by themselves, as well as handling tech like lighting and sound. The performances are scheduled for May 29th and 30th in the MU from 6-8PM.
