Sarcastic Sequoia:
How come Sequoia students like
to yell a lot?

The kids that we have interviewed have each given varied answers. However, they each have something in common: Students usually yell mostly because they think it's funny or to express their anger. Although it's a good way to express themselves, teachers would rather students do it out of class.

Teacher Interviews

We asked
Ms. Rousseau a few
questions and here
is what she said:

Question 1: What
is your favorite
food?

Answer 1:
Chicken

Question 2: What
time period would
you live in?

Answer 2: The
2000s
