live up to your dreams - Caleb Chu

always stay positive and never
let anything negative take away
your dreams - Isabell Gutierrez

Sequoia Opinions

Anonymous Student

“We should be able to use our phones!

We are old enough to be able to be mature with our phones and use them in school!

I think students are capable enough to be able to use their phones during school hours, like lunch, brunch, maybe in class to listen to music. We should be given an opportunity to use our phones and if not at least be able to listen to music while working. (My thoughts)

Teacher Interview

Mrs.
Starick

Q.1 What inspired you to become a teacher?

Q.2 How long have you been teaching?

Q.3 What is your favorite part about teaching here at Sequoia?

A.1 “ I had great teachers who made me love school, and I wanted to make other kids love it like I did”

A.2 “9 years”

A. 3 “ I love the sense of community here between the students and teachers
