• WHY ARE KIDS SO OBSESSED WITH GUM

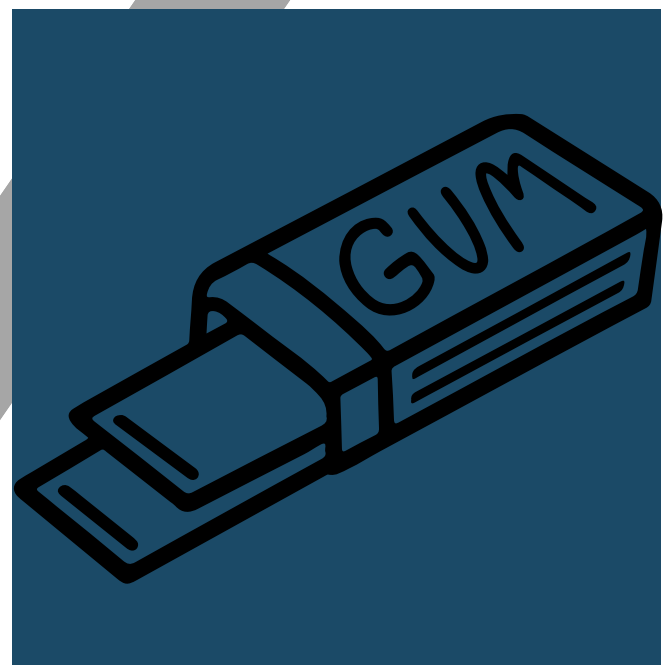

Lately at Sequoia middle school The student here just cant seem to stop chewing gum despite the strict rule of **NO GUM.** Teachers are completely sick of the sound of kids chewing gum and gum under desks being a pain to clean up.

“Ew...! There's gum under my desk!”

-Hailey Spurlock

It's gotten so bad to the point that students' shoe bottoms are now made purely of gum!
