Well well well california. Everyone has been having their ups and downs on the weather changes and how summer should come faster. Like CALIFORNIA PICK A MOOP!!!!

People have been talking about wearing their cute outfits to school thinking its high 80's and then BOOM it rains. Then there are people who want summer to come saying that they're tired of this DEPRESSING rain! Here are some peoples thoughts on this....

- "Its too hot."

- Bella Gofman

- "California has to pick a MOOP!"

- Sharika Rauniyar

- "Depending on my mood is how much I like hot and cold wather but I like that when its cold I can relax more."

- "Mr. Danny
