IS THE CAKE FROM CUPCAKES BETTER THAN THE FROSTING?

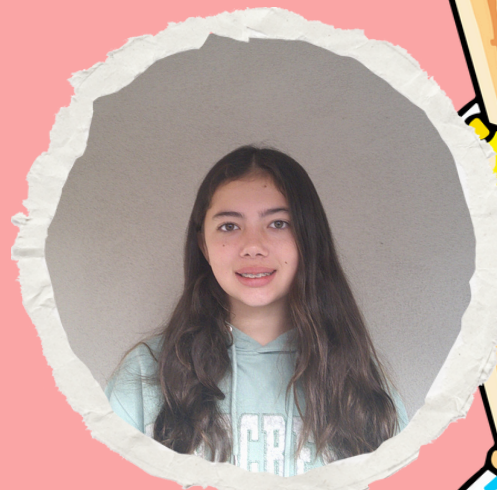

YES OR NO

Many people might say that the frosting is the most appetizing part about cupcakes, but I disagree. Me and many others argue that the frosting can be too sweet and messy. The cake part is always perfectly fluffy and dulls down the frosting's sweetness. Without the cake you just have a goopy mess of frosting.

ITS CAKEY AND PERFECTLY
SWEET."**

-MILOSH VUKOSAVLEVIC

**"THE FROSTING IS
TOO SWEET."**
