OPINION

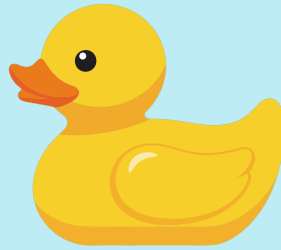

ARE WE TOO OLD FOR BATHS?

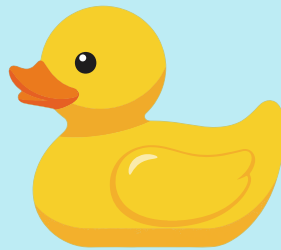

PAIGE SEIBEL

As we all know, almost everyone after the age of 10 takes showers instead of baths. I have been wondering this question for a while.

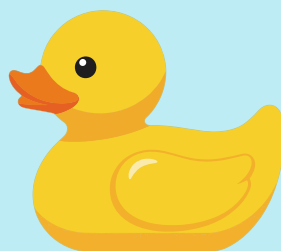

Are we too old for baths? In my personal opinion, I don't think we are too old because baths can help you relax after a long, hard day. Let's here what some students think.

"No, because they are relaxing."
-Mia Perez

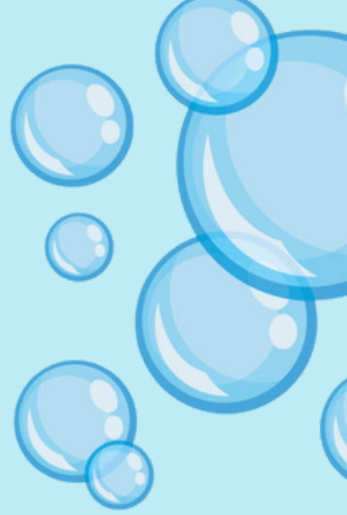

"No, because you get to relax and chill while watching a show on your phone."
-Bella Solis

"Yes, because we can't fit in the tub."
-Kainoa Noriega

Sequoia Spotlight with Mr. Randall

How do you like working with your mom, Mrs. Randall?

“It’s great. It’s funny that between us we share all of the eighth graders.”

How do you feel about rubber duckies?

“I like them, I’m a fan.”

How do you like teaching both Math 7 and Math 8?

“I like it because I’m not limited to one grade level so I get to know both of them.”
