Who is your favorite Character from Mario?

By Ethan Aideyan

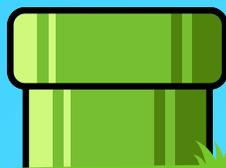

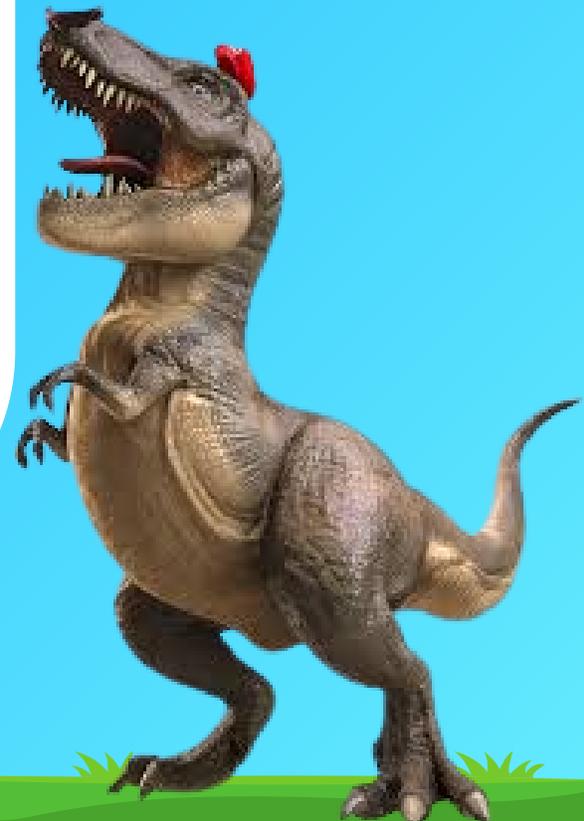

THE BEST MARIO GAME

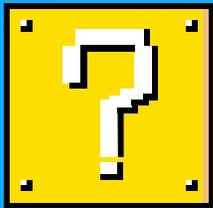

The Best Mario Game: Mario Odyssey.

Super Mario Odyssey is my favorite Mario game because the game is really fun and it has a story line to it. also the game i really fun because you can play multiplayer as cappy. their are also many bosses that you can beat in the game. you can also get moons in the game to upgrade your ship to move on to new. another reason why its so fun is because you can turn into other characters in the game.
