Is Friday the 13th really cursed or is it a myth?

is Friday the 13th really cursed or not? I personally don't believe it is. In my point of view, Friday the 13th is just a regular day that was just made to be "cursed because of some religious beliefs and 13 being seen as an unlucky number.

**"No, just because I haven't really had bad luck on Friday the 13th."
-Quinn Seibel**

**"Not really, I haven't really ever known anyone that's gotten any bad luck."
-Anastasia Simpson**

**"No, it gives me luck because I have no homework."
-Elijah Sablan**

**"Yes, because 13 is a unlucky number. That's why they don't have a 13 floor on buildings."
Delilah Brown**
