I personally think that Mac a ronnei is better than Ravioli. When i was a kid and when mama Laughlin Used to cook up some Mac and cheese it was heavenly. Also just the nostalgic it brings is amazing and you know i gotta put 3 maconis on the rpongs of the fork that made it taste way better. so in all ive had a better expirance with mac than Ravioli but lets see what other people think

**Whats better Ravioli or macaroni**

“Because I HATE the small mac”- Daniel Valderimao

“it is really exquisite”- Mateo fontillas

“I like it because its creamy in my mouth”- Marco Zermeno”

“you got better chesse end of statement”- Brett Haupt
