Opinion page

Should the bunny hop be for 6th graders only?

I think the bunny hop should only be for 6th graders only because we already had our turn and I think it would be kinda unfair if all grades went. Since the 7th and 8th graders have a bunch of their own events only for themselves like the blacklight blowout.

yes because they should have their own and i'm not about to hop for candy-

yes because we have ur own experience already so the 6th graders should have their own event-Ruby Mountain

I feel like the 6th graders should have their own little thing and should enjoy being a 6th grader before they go into 7th grade-
